

PHẠM TRẦN MINH THƠ

Senior Creative Designer (Remote)

Senior Graphic Designer with 4+ years of experience building brand identities, key visuals, and campaign assets. My approach is simple: great design has to work in the real world. I focus on translating client briefs into practical, creative solutions—balancing strong typography and color with clear business goals. Experienced in working remotely with international teams, I integrate AI tools into my daily workflow to speed up concepting while keeping every deliverable on-brand and on-schedule.

Experiences

07.2024 - 10.2026: RT Holdings JSC

Creative designer executive

Create illustrations for Main Visuals, and other visual assets for company marketing campaigns and products.

Collaborated directly with international clients to translate business goals into high-impact visuals; independently managed project timelines across multiple time zones with a 100% on-time delivery rate.

Designed engaging social media visual systems, promotional assets, and marketing collateral while maintaining strict brand consistency across all touchpoints.

Utilize Generative AI to streamline creative workflows while keeping designs consistent with the school's brand.

Propose creative solutions that align with the requirements and objectives of the company's events and campaigns.

Combined AI-assisted outputs with strong design fundamentals in typography, color theory, and composition to refine visuals by hand, protecting emotional resonance and strict brand accuracy across all deliverables.

Proposed and implemented a collaborative workflow between Design and Marketing departments to streamline operations and ensure campaign consistency.

Ensured top-tier visual quality, pixel-perfect detail, and consistent brand alignment across all creative deliverables.

Collaborated seamlessly with Design, Product, and Development teams to brainstorm, iterate, and deliver creative concepts aligned with business objectives.

08.2022 - 08.2024: Ionline Agency JSC

Creative designer

Collaborate with the Creavtive and Account team to understand the requirements and objectives of various communication campaigns.

Develop and propose creative concepts aligned with campaign objectives.

Design key visuals that effectively communicated event themes and met all creative requirements.

Participate in brainstorming sessions and contributed innovative ideas for design projects.

Design engaging marketing materials such as brochures, posters, social media content, and website assets, aligned with brand identities.

Manage multiple projects with tight deadlines, ensuring all deliverables meet high standards of quality and client specifications.

Projects

COMMUNITY PROJECT - A HOME FOR LEARNING

Role: Senior Graphic Designer
Project Overview: Developed the Key Visual and promotional design system for a community fundraising campaign dedicated to building schools for ethnic minority schoolgirls in high-land areas.
Key Visual & Cross-Platform Assets: Designed the core Key Visual and adapted it across multi-channel assets, including social media kits, event backdrops, posters and print materials.
